negrini
made in italy

Only Negrini Combines State of the Art Composite Engineering with Brilliant Italian Design and Old World Hand Finishing

Ultralight and Ultrastrong: Negrini premium cases are made using patented two-form technology which yields the lightest weight luxury case with International Air Travel Certification (IATA).

Our state of the art design allows our steel combination locks and hinges to be fully recessed and protected for air travel and a lifetime of use. Handles are integral and cannot break.

Negrini premium cases are luxury upholstered with the highest quality fabric, cushioning and leather available.

Negrini cases can be adjusted to fit nearly every firearm on the planet and our INTELCASE™ customer service stands behind every case sold. Limited Lifetime warranty.

Stephen R. Lamboy, President

LR - STANDARD LUXURY

Luxury finishing with rubber trim, full cushioning and fabric covering in bottom and top section.

LX - LEATHER TRIM

Deluxe finishing with added padding, special fabric coverings and leather trim outside and leather handle.

The Uplander Air Travel Shotgun Cases

The most compact hands-free travel case yet!

Introducing The **NEW** Uplander Case Series From Negrini

The Uplander Series of hard shotgun cases is ultra-compact and ultra-light, tipping the scales at just 5.7 pounds. Fitting any small-bore over-under or side-by-side shotgun with barrels up to 30 inches, the Uplander is approved for air travel and features a new patent-pending, hand-detachable sling system to carry it hands-free.

- Patent-Pending hand-detachable sling system for hands-free carry.
- Small-bore O/U or SXS barrels up to 30".
- Velvet, hand-upholstered interior
- Compartments for your stock, receiver and accessories
- TSA-accepted steel combination locks for security
- 100% Made in Italy
