FROM THE CHAIRMAN AND CEO

negrini CASES

ONLY NEGRINI COMBINES STATE OF THE ART COMPOSITE ENGINEERING WITH BRILLIANT ITALIAN DESIGN AND OLD WORLD HAND FINISHING

Ultralight and Ultrastrong: Negrini premium cases are made using patented two-form technology which yields the lightest weight luxury case with International Air Travel Certification (IATA). We achieve the highest quality through LIMITED Production.

Our state of the art design allows our steel combination locks and hinges to be fully recessed and protected for air travel and a lifetime of use. Handles are integral and cannot break. Negrini premium cases are luxury upholstered with the highest quality fabric, cushioning and leather available.

Negrini cases can be adjusted to fit nearly every firearm on the planet and our INTELCASE™ customer service stands behind every case sold. Limited Lifetime warranty.

Stephen R. Lamboy - Chairman & CEO - International Case Co.

GUIDE TO CASE FINISHES

THE DIFFERENCE IN NEGRINI HAND FINISHING

Negrini Luxury travel cases span from economy finish to full superlative leather quality in our PPL Old-World hand-finished cases. All cases are airline approved for travel. Negrini uses the best quality fabrics, leather and padding in a beautiful hand made travel case.

R - STANDARD

Negrini's standard finish cases are the same great case with less hand-finishings at a great value!

LR - STANDARD LUXURY

Luxury finishing with rubber trim, full cushioning and fabric covering in bottom and top section.

LX - LEATHER TRIM

Deluxe finishing with added padding, special fabric coverings and leather trim outside and leather handle.

LXP - FABRIC

Partial fabric covered exterior with trim and covered handle.

PLX - SUPERLATIVE LEATHER

Partial Italian leather hand finished exterior with leather trim and handle, finished velvet interior with leather trimmed walls.

PL - FULL ITALIAN LEATHER

Full genuine Italian leather covering with deluxe interior fabrics and finishing. Cordura-type cover with 2 zippers and shoulder strap included with long-gun cases.

PPL - SUPERLATIVE LEATHER

Superlative quality with select Italian leather outer and contrasting leather trim inside. Hand finished with the best materials available.

SEA RUN CASES

ABOUT SEA RUN CASES

Born out of passion for the sport we love, Sea Run Cases are dedicated to providing the very best gear protection for streamside, truck or the checked baggage of a plane. We created this case to withstand any travel condition yet offer practical ease of use on any location. The Sea Run case will get your gear there intact and sorted.

Utilizing extreme polymer technology in Italy, Sea Run Case uses a patented double wall system consisting of tough inner and outer shells welded together to yield maximum impact strength and resistance to all weather conditions. The results are an ultra-light, ultra-strong, practical fly fishing case able to withstand the worst handling and deliver the best performance.

Each case is hand formed and hand finished in the best materials available for fishing use. Special woven nylon canvas and marine grade closed cell foam is used throughout. Wet gear can be chucked in with no worry of damaging the case. Each compartment is organized to provide maximum protection for rods, reels, fly boxes as well as other accessories.

Whether you choose standard or our special leather finish, each Sea Run Case comes with our lifetime warranty for repair or replacement. Travel Confidently With Your Sea Run Fly Rod and Reel Case.

All customers are welcome to contact us by phone or online to discuss fitting or special needs. We are always available to help you in any way.

Stephen Lamboy,
President and CEO
